

Collaboration Details

Successful collaboration based on trust and faith will make our lives better, easier and fun

I'd like you keep reading to the end

1. About me

Let me introduce myself.

This is Robbie, a senior web developer from Thailand.

I have +8 years of experience in web / mobile development and has worked on **Upwork** site until now.

So I have many experience of working on Upwork site.

A few days ago, my account was unexpectedly suspended due to uncertain reasons but I still wanna work on Upwork site

And there are so many US clients on Upwork site and they are very cool.

So all freelancers wanna work with them but US clients prefer US freelancers and US freelancer's income is very higher than other country's.

2. What I want you to do

Actually what I want is so simple. I hope you create Upwork account and allow me to work on Upwork site instead of you. I mean I want proxy-work with you.

3. Successful collaboration btw us will leads to

If you are interested in my proposal, you will get additional income

After 3 or 4 months, I can earn **+10K USD** monthly.

Among them, we can share our benefit so I will give you 20% of monthly total income.

I think this is additional and unexpected income for you.

This is not my joke or fun but real contract.

I have experience with other US citizens before.

Of course, I don't insist my suggestion to you. Absolutely **it is up to you**.

But I hope the opportunity to work with you.

If you are eager to work with me, please contact me.

You are always welcome to me.

Best Regards
